Dear Sirs and Mesdames:

Re: Active Fire & Safety Services Ltd.

---

We are the solicitors for Harjit Sangha and his company, Active Fire & Safety Services Ltd. ("Active").

It has come to our attention that you, Frank E. Kurz, have been intentionally interfering with the economic relations of our clients and have been making comments constituting slander. Your disparaging comments about Mr. Sangha and Active include those that can be viewed on the following website: [www.firetechs.net](http://www.firetechs.net) and in particular <http://www.firetechs.net/library/ActiveFireEXTRA060110.asp>

There are a number of untrue, disparaging and defamatory imputations contained on that website which are obviously directed to my client, reflect on its business reputation and amount to a very serious libel. We hereby demand that you cease and desist from making any such defamatory statements immediately.

Please be advised that if you do not comply with this letter, my client will instruct me to take further steps to enforce its position as set out in this letter.

Yours truly,
