

# CHIEF ELECTRICAL INSPECTOR

## PERMITS AND LICENSES DEPARTMENT

As Canada's gateway to the Pacific Rim, Vancouver is experiencing tremendous construction growth. Working in a fast-paced, public-oriented Department, the Chief Electrical Inspector will be responsible for managing the Electrical Inspection Branch consisting of a staff of sixteen. The successful candidate will represent the City on local and national technical councils and committees and will apply the knowledge gained when resolving difficult problems and when making complex interpretations of by-laws for staff, the public and the electrical industry. In addition, the incumbent will be responsible for preparing a variety of reports and correspondence including amendments to the City of Vancouver Electrical By-law

City of Vancouver

The position requires university graduation in Electrical Engineering and registration or eligible for registration as a Professional Engineer in B.C. The successful candidate will have considerable experience in all phases of the electrical industry, preferably with inspectional and regulatory responsibilities or design and field review experience. Their experience will include supervisory and administrative responsibility. A thorough knowledge of the Canadian Electrical Code is a necessity. Candidates must have excellent organizational and interpersonal skills, well developed oral and written communication skills and a demonstrated ability in dealing effectively with the public and staff.

The salary range is \$58,260 to \$69,468 per annum.

Interested applicants are invited to submit a detailed resume, quoting competition number 93-9387 to: **The City of Vancouver, Human Resources Department, 453 West 12th Avenue, Vancouver, B.C., V5Y 1V4.**
